Perspectives:

Radio Show: On September's show, Chris Barge - the foundation's Vice President of Strategic Initiatives who directs the extensive reporting and production of our biennial TRENDS Report - previewed the latest, soon-to-be-released edition of the report. *Listen* via our website or your favorite app for podcasts.

Donating to your Community Foundation makes a difference you can see. *Please donate today by clicking here!*

In Appreciation

Board Alumni Gathering

In September - at the 3rd Annual Gathering of Community Foundation Boulder County Board Alumni - we were delighted to celebrate the board service and ongoing support of our Board alumni.

Thank you!

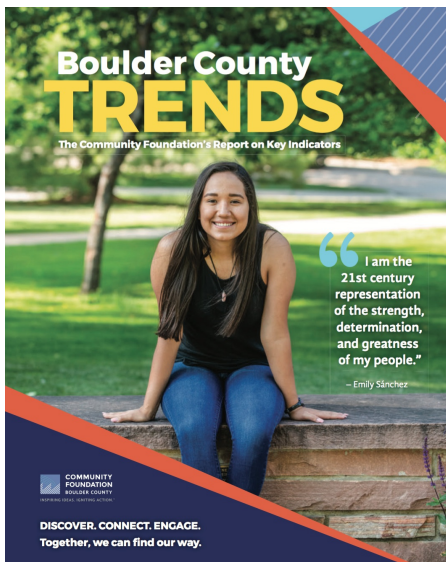

Professional Advisors Happy Hour

Also this month, we were pleased to lift up the important work of local professional advisors - wealth managers, financial planners, accountants, insurance professionals, attorneys, and others who work with charitable clients. We thank you for your ongoing partnership with Community Foundation Boulder County.

If you missed the event or have follow-up questions, please reach out to us philanthropicservices@commfound.org.

TRENDS Report 11th Edition

You're invited to attend a free community presentation of TRENDS 2019

Está invitado a asistir a una presentación comunitaria gratis de TRENDS 2019

This 11th edition of TRENDS shines a light on our community's most challenging concerns and most promising opportunities - inviting us all to engage with one another to build a more connected and inclusive community. Community Foundation Boulder County publishes TRENDS as a community resource for you, and for everyone who calls Boulder County home. We're pleased to provide a website holding all 150 community indicators, a printed report, community presentations, a webinar, and a TRENDS podcast to help distribute TRENDS information. See the updated commfound.org/trends starting on October 7.

Esta 11ª edición de TRENDS ilumina las preocupaciones más desafiantes y nuestras oportunidades más prometedoras, lo cual nos invita a todos a participar juntos para crear una comunidad más conectada e incluyente. La Fundación para la Comunidad del Condado de Boulder publica TRENDS como un recurso comunitario para usted, y para todos aquellos que llaman al Condado de Boulder su hogar. Tenemos el placer de proveer un sitio web que contiene todos los 150 indicadores comunitarios, un reportaje impreso, presentaciones comunitarias, un seminario web, y un podcast de TRENDS para poder divulgar la información del Informe TRENDS. Vea las commfound.org/trends actualizadas a partir del 7 de octubre.

Please join us for a presentation of highlights from our newly published TRENDS Report.
