LEADERSHIP FELLOWS
BOULDER COUNTY

September 2023 - July 2024

ABOUT THE PROGRAM

Leadership Fellows Boulder County is a joint leadership and networking program presented by the Boulder Chamber and Community Foundation Boulder County.

The program provides 25-30 diverse, emerging, and transformational leaders from across all sectors, industries, and county geography with a broad understanding of the topics, challenges, and solutions that are vital to the success of our communities. Topics include equity, inclusive leadership, community health and wellbeing, environment, workforce/economics, housing, arts, local government and others. The program provides the guidance and tools to build professional networks and participate in local leadership roles.

Tuition: $1,500 for the 11-month program
We are committed to inclusivity and diversity. Some financial assistance is available. Contact us for more information.

This is a cohort model for collaborative learning. Outcomes include:
• Engage in thoughtful dialogue about inclusive leadership in Boulder County. • Grow professionally; 80% of Fellows graduates go on to serve in a formal leadership role on civic boards & commissions, nonprofit boards, or in other leadership capacities. • Build trusted relationships with a shared agenda of creating a vibrant and thriving community for all. • Gain the knowledge, network, skills and experience to enhance your impact in the community. • Become part of an influential network of diverse leaders as a Leadership Fellows alum
