ROOT CAUSES

Join us for the launch of Root Causes: A Nonprofit Advocacy Cohort – Activating Direct Service Providers in Advocacy and Civic Engagement

Learn how to effectively train your clients to tell your organization's story at the local, state, and federal levels.

Strengthen your influence on policymakers who will be increasingly faced with tough budget decisions.

Working within a cohort setting helps to share strategy and amplify your message.

Friday, February 8th
11:30am-2:00pm

Join us for lunch to learn more about Boulder County's Legislative Agenda, how local advocacy impacts the work at the state and federal legislature and to hear more about an exciting opportunity to engage in 2013.

Friday, February 8th, 11:30-2:00 at:
